Connect Study Centre

In 2018, a new Study Centre will open, which will offer additional tuition support for pre-course and on-course students. A wide variety of part-time courses will be available (including study skills) to support students who may find it difficult to adapt quickly to studying in a foreign country/language. *There will be a fee for this additional bespoke tuition.* For those students who choose to study outside of the commutable area of the Study Centre, Distance learning and weekend revision courses will be available. Tutors will be well qualified, experienced in their subject area and student friendly.
